Re: RM 99-325
Notice of Ex Parte Presentation

Dear Ms. Dortch:

iBiquity Digital Corporation ("iBiquity"), by its attorneys, hereby notifies the Commission, pursuant to Section 1.1206 of the Commission's rules, of a meeting held on November 12, 2002 with Roy Stewart, Peter Doyle, Edward P. De La Hunt, Keith Larson, Ann Gallagher, Brian Butler, John Wang and Charles N. Miller, of the Media Bureau. iBiquity was represented by Albert Shuldiner, its General Counsel, Glen Walden and the undersigned. During this meeting, iBiquity reviewed with Commission staff IBOC implementation issues. Specifically, iBiquity reviewed issues relating to the use of dual antennas for introduction of IBOC including how different antenna configurations would perform in the real world. In this regard, iBiquity suggested the use of an experimental license approach for IBOC antennas that are not consistent with the IBOC system tested by the NRSC. iBiquity also discussed the status of AM nighttime testing and indicated that winter testing would be undertaken in January 2003.

An original and one copy of this notice are being submitted to the Secretary's Office. A copy of this letter will be provided to Messrs. Doyle, De La Hunt, Larson, Miller, Stewart and Ms. Gallagher as well.
